Fax:(419) 427-5448

I have made the fields of education and sports medicine the focus of my life. The past 15 years I have worked as an athletic trainer in the secondary setting and physical education teacher for 10 years. I have continued to pursue these fields through continuing education lectures, conferences, and college courses.

I have earned a bachelors (Olivet College, MI) and master's degree (Ohio University, OH) in athletic training in 2001 and 2004. I also earned a bachelors in education (Ohio University, OH) in 2005.

I have been employed with Findlay City Schools since August 2005. I have taught at the high school and elementary levels. During this time I have been the head athletic trainer for Findlay High School. I have worked as the medical director for the National Youth Sports Program held on the campus of Ohio University in 2003-04.

I have been a member of the National Athletic Trainers Association and the Ohio Athletic Trainers Association since 2001. I have also been a member of the Ohio Association for Health, Physical Education, Recreation and Dance.

Thank you,

Erin Hemmelgarn
