

JOHN WEGNER

Education:	1997	Ph.D. (American Literature)	University of North Texas
	1993	M.A. (World Literature)	Sam Houston State University
	1991	B.A. English/Sociology	Sam Houston State University

Faculty Experience:

1997: Visiting Assistant Professor, Angelo State University

1998: Assistant Professor, Angelo State University

2004: Associate Professor, Angelo State University

2010: Full Professor, Angelo State University

Other Teaching Experience:

1991-1993: Graduate Teaching Assistant, Sam Houston State University (faculty of record; two courses per semester)

1992-1993: Adjunct Faculty, Lee Community College (teaching in prison system)

1993-1997: Graduate Teaching Assistant, University of North Texas (faculty of record; two courses per semester)

Administrative & Leadership Experience:

Dean, Freshman College and Director of First Year Experience, Angelo State University, Dec. 2014-present. Responsible for coordinating with ~50 faculty teaching FYE course from across campus to implement Freshman College vision and mission, guiding eight professional advisors from Arts & Humanities, Science & Engineering, and Archer College of Health and Human Services (this group merged with us fall 2017), managing four staff members, and supervising 80+ student peer mentors and tutors. Additional responsibilities include retention, course scheduling, monitoring core course enrollment and available seats, assessment, managing budgets, serving as liaison with Student Affairs, Residence Life, Admissions, Orientation Programs, and other relevant student affairs programs.

Major Accomplishments:

- Chair: Second Year Retention Ad Hoc Committee
- Program Owner/Coordinator: EAB Student Success Collaborative Implementation;
- Strategic Planning Council: in process of reviewing and revising Mission Statement, Vision Statement, Value Statements;
- Dual Credit Steering Committee: Part of team managing increased dual credit enrollment from 52 to ~2,900 in 2017-18;
- Developed dual credit advising process for Angelo State dual credit partners;
- Revised curriculum for FYE course to improve flexibility and success;
- Revised academic standing policy;
- Chair Academic Review Committee (Academic Suspension Appeals);
- Developed programs to help increase NFT retention from 63% (2015) to 69% (2019);

John Wegner, 2455 Nasworthy Drive, San Angelo, TX 76904; cell: 325-223-1619; office: 325-486-6143; email: john.wegner@angelo.edu (work) or jwegnerangelostateuniversity@gmail.com (personal)

- Developed programs to improve early advising completion from 78% to 85%;
- Increased number of employees in FC/CAE from 3 in Dec 2014 to 14 fall 2017;
- Improved data collection strategy that monitor academic support services;
- Supervise Up & Coming Scholars (program working with area high schools and junior highs to increase low income and first generation post-secondary education);
- Revised Up & Coming scholarship program to increase scholarship dispersal from \$29,000 to \$59,000 per year;
- Supervise First Generation programs;
- Worked with Mathematics and English to create improved developmental English and Mathematics completion percentages;
- Working with Enrollment Management and department chairs, improved core curriculum scheduling efficiency;
- Working with Registrar, revised and improved advising and registration process during new student orientations;
- Serve on HSI Steering Committee;
- Revised Early Alert program.

Director, Center for Innovation in Teaching and Research, Angelo State University, spring 2009-spring 2014. Responsible for providing faculty development training across disciplines and supervising Instructional Development Specialist. Additional responsibilities included budget management, assessment, and training for IDEA (student classroom evaluations).

Major Accomplishments:

- Created New Faculty Orientation for all new hires;
- Created separate NFO for College of Arts and Sciences;
- Developed faculty development template;
- Developed faculty peer mentor program;
- Oversaw faculty syllabus review;
- Developed Summer Faculty Development Institute;
- Prepared or oversaw two faculty development workshops per month;
- Developed initial online template for Blackboard courses.

Director, Undergraduate and Graduate Research Initiative, ASU, 2012-2105: Responsible for managing budget and developing undergraduate and graduate faculty mentored research program. Additional responsibilities included ensuring research and budgets adhered to university, state, and federal guidelines.

Major Accomplishments:

- Developed criteria for student applications to increase underrepresented student participation;
- Developed and edited *Crius: Angelo State University's Undergraduate Research Journal* (2013-2015);

John Wegner, 2455 Nasworthy Drive, San Angelo, TX 76904; cell: 325-223-1619; office: 325-486-6143; email: john.wegner@angelo.edu (work) or jwegnerangelostateuniversity@gmail.com (personal)

- Developed First Year Research Experience (FYRE), allowing incoming first year students to apply for faculty mentored research grants;
- Expanded Research Initiative to include creative endeavor;
- Developed Graduate Research Initiative;
- Worked with the Office of Sponsored Projects; created on-campus Faculty Mentored Research Symposium;
- Developed training for student researcher presenters.

Faculty Athletic Representative: Angelo State University, 2010-2017: Responsible for serving as liaison between Department of Athletics, academic administration, and faculty regarding student-athlete academic performance and well-being. Additional responsibilities include working with the Athletic Academic Advisor to monitor and help improve student-athlete academic performance, and working with the Director of Compliance to monitor NCAA rules.

Major Accomplishments:

- Developed Faculty Athletic Associates that provide each team with a faculty mentor
- Wrote policy regarding coach/faculty contact regarding classroom performance of student athletes;
- Monitor academic progress of student-athletes;
- Helped revise drug testing policy,
- Revised concussion protocol to include Disability Office;
- Helped create training for non-athletic coaches and staff regarding compliance.

President, Lone Star Conference FAR Council: Angelo State University, 2015-2017: Work with the conference commissioner to develop programs to help student athlete graduation rates, work with Council of Presidents, develop strategic LSC Retention plan for student athletes.

Interim Department Head, English, Angelo State University, 2008-2009: Responsible for effective administration of Department of English. Responsible for guiding twenty faculty and staff, encouraging collegial interaction, innovative teaching, application of current technology, and scholarship that contributes to the department, college, and university. Other duties included advocating for the department, managing budgets; overseeing the hiring of new faculty, tenure and promotion, course scheduling, and assessment. Began in the spring semester of 2008 as the department head transitioned to Vice Provost position. Left the position voluntarily in summer 2009 to assume duties in the CITR.

Major Accomplishments:

- Presided over revision of scheduling process;
- Presided over the hiring of three new faculty and one new department head;
- Revised Committee Assignment Process;
- Oversaw ASU Writers Conference;
- Oversaw merit-based evaluation process for faculty;

John Wegner, 2455 Nasworthy Drive, San Angelo, TX 76904; cell: 325-223-1619; office: 325-486-6143; email: john.wegner@angelo.edu (work) or jwegnerangelostateuniversity@gmail.com (personal)

- Led efforts to develop course assessment instrument.

Faculty Senate President, 2004-2005(VP 2003-2004): Responsible for presiding over meetings, creating agenda items, preparing annual reports to the faculty, serving as liaison between faculty and administrators.

Major Accomplishments of the Senate:

- Develop University Honor Code;
- Begin significant revision of Tenure and Promotion process;
- Establish structure and strategy for creation of faculty development center;
- Oversee creation of first Teaching Excellence Award;
- Develop faculty overload compensation model;
