

Dec. 2011 Data Conference Report

SPED Program – Assessment #__2__ (Reflective Student Profile)

Reports **for each of the 8 Assessments** should include the following information:

a) Data reviewed

Score results from SPED 4363 Case Study rubric

b) Scope of data and adequacy of data addressed

Data correlates with CEC knowledge & skills standards.

Review of the data indicates that work still needs to be done in the areas of CEC Standard 8, general education curriculum. Also work needs to be done in the area of CEC Standard 9, Professional Ethical Practices, including written communication.

c) Generalizations and inferences from the data presented

Data from the Case Study shows improvement with more candidates scoring proficient.

d) Issues identified are addressed

For Standard 8, formative and summative assessments have been added to determine progress. For Standard 9, more ethical issues have been added in the case study and peer editing has been incorporated.

e) Plan of action to correct deficiencies presented with benchmark timelines

The improvement plan was initiated fall 2011. The evaluation will be assessed in fall 2012.
