

Dec. 2011 Data Conference Report

SPED Program – Assessment #__6__ (Optional-Behavior Management Plan)

Reports **for each of the 8 Assessments** should include the following information:

a) Data reviewed

Score results from rubric of Behavior Management Plan

b) Scope of data and adequacy of data addressed

Scope is the rubric scores from 2009-2010

Adequacy indicates that the scores provided are those scores needed to make program improvement.

c) Generalizations and inferences from the data presented

Overall performance shows that the program is improving. Area of concern is CEC Standard 5, which addresses interventions for individuals with special needs.

d) Issues identified are addressed

Research based interventions need to be identified by peer reviewed articles to support the data and intervention strategy.

e) Plan of action to correct deficiencies presented with benchmark timelines

Plan of action for this issue has been initiated in Fall 2011.
