Great!

I have been told by principals that ASU students are great.

Professional dress for all contents and resumes for music dept.

Great job coordinating with Abilene! Your students are well prepared and we saw several quality candidates. We were fortunate to hire Ben Ellery last year. He is doing a great job!

Provide a list of candidates and areas of specialization many times we need to contact other areas that were not opened during time of job fair,
I represent 100 school districts and each district interviews and hires apps.
