ILD Update

The current ILD training will be offered online through December 31, 2015 and there are currently no plans to offer the new ILD training online. ESCs will begin training districts on the new ILD beginning July 1, 2015 and programs can become trainers of the new ILD training through an ESC starting on September 1, 2015. If a program has candidates in other parts of the state, the candidates will have to come to the EPP (if they are a trainer) or an ESC to receive the new ILD training. Out-of-state candidates would have to travel to the nearest training site.
