

Gap Analysis for Post Master Certificate FNP Student

Name of Student:

CID:

National NP Certification Sought:

NP National Certification Previously Completed:

School:

Year:

Instructions:

The Family Nurse Practitioner Track Coordinator will complete this form for a student who is a nationally certified nurse practitioner or post-master nursing student seeking partial credit or waiver of coursework towards completion of a post-master certificate in the Family Nurse Practitioner practice area. This form should be completed after a thorough analysis of previously completed coursework and clinical experiences and compared with the program requirements and national Family Nurse Practitioner competencies necessary for certification in the Family Nurse Practitioner area of practice. The Family Nurse Practitioner Track Coordinator will conduct the analysis and report the results to the Graduate Program Coordinator. Recommendations to accept previously completed coursework will be made to the Dean of the College of Graduate Studies & Research for final approval after the student has completed one semester at Angelo State University.

- Column 1: provides the courses required for the post-master certification Family Nurse Practitioner at Angelo State University. No additional information is required to be added to column 1.
- Column 2: list the courses from the student's previous transcripts that will be used to waive courses from column 1.
- Column 3: identify and describe clinical hours and experiences needed to meet the required competencies for the post-master certificate Family Nurse Practitioner program.
- Column 4: list all coursework to be completed for the certificate (all courses from column 1 not waived). This column, in combination with column 3, will constitute the student's individualized program of study.
