The screenshot shows the 'Worksheets' interface. At the top, it says 'Data refreshed 10/31/2022 5:35 PM'. Below this are search filters: Student ID (81010583), Name (Test, Phantom), and Degree (Bachelor of Business Administration). There are also tabs for Level (Undergraduate), Classification (Freshman), Major (Management-Online), Program (BBA Management), and College (Norris-Vincent Coll Business). At the bottom, there are two tabs: 'Academic' and 'What-If', with a red arrow pointing to 'What-If'. To the right of the tabs is a 'View historic audit' dropdown menu showing '11/01/2022 at 9:47 AM UG/BBA'. Below the tabs, there is a 'Format' dropdown set to 'Student View', a 'Degree progress' section showing '8%' and 'ASU GPA 0.000', and checkboxes for 'In-progress classes' and 'Preregistered classes' with a 'PROCESS' button.

On the What-If screen, you will be able to use the drop-down boxes to select the desired Catalog Year, Program, Level, Degree, Major, Concentration, and/or Minor. After selecting the desired criteria, press the *Process* button. Degree Works will then take your entire course history and apply it to an audit with the newly selected parameters. You can view the What-If audit that is generated.
