

HOW TO USE CERTIFYTEACHER.COM FOR EFFECTIVE TEST PREPARATION

Although you can use this readiness review in a number of ways, we recommend that you approach the modules of the program in the sequence shown below.

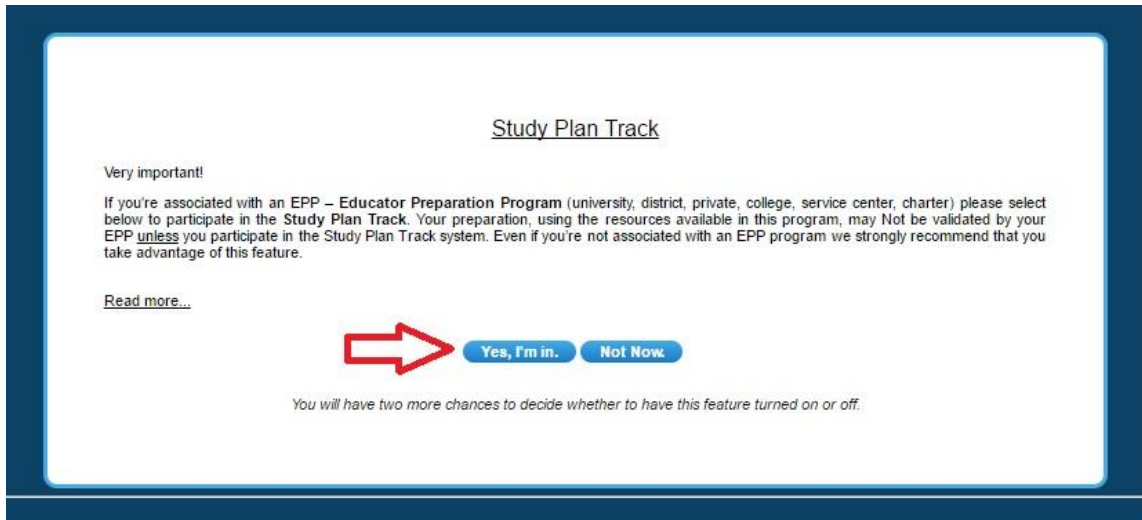

1. Select **Exam Tips** at the Main Menu to become familiarized with your test

2. Select **Exam Mode** to submit to an initial full length test.

3. When prompted subscribe to the **Study Plan Tracker**.

4. Submit your answers and score the full length test. Then check your score results at the **Score Report** page.

Multiple Choice	Result	# Questions	# Correct	% Correct
English Language Arts and Reading and The Science of Teaching Reading - (801)	Not Passed	73	41	56

8. Once you've completed all assignments in the Study Plan Tracker you can take another full length exam in **Exam Mode**. You should see improvement on your scores from the initial exam and a new study plan will be generated based on these scores.
9. Repeat this process as necessary to successfully prepare for your certification exam.

The Study Plan Track

Strengths and weaknesses – we all have them, but yours will be different from other test-takers and they'll change as you progress through your Certify Teacher prep. Selecting to subscribe to the **Study Plan Tracker** will provide you with individualized assignments based upon your performance on the full-length exam. Each assignment is designed to target the content areas that need additional focus, ensuring a greater understanding of the material being tested. **It is personalized learning based on your specific needs** to provide you the greatest point gain on your educator certification assessment.
