TO: Texas Tech System Board of Regents
CC: President Ronnie Hawkins, President *Ronnie D. Hawkins, Jr.*
FROM: Michelle Miller J.D., Special Assistant to the President & Title IX Coordinator
SUBJECT: Chief Executive Officer Reporting Under Tex. Edu. Code § 51.253(c)
DATE: October 13, 2022

Under the Texas Education Code, Section 51.253(a) the Title IX Coordinator must submit a written report no less than every three months to the Institution’s Chief Executive Officer (CEO) regarding reports received from employees who are required to report under the Texas Education Code¹ and the type of incident described in the employee’s report that constitutes “sexual harassment,” “sexual assault,” “dating violence,” or “stalking.”²

This report includes the investigation status of these reports; the disposition, if any, of any disciplinary processes arising from these reports; and the reports for which the institution determined not to initiate a disciplinary process.³ It should be noted the reports received from Confidential Resources along with Employee’s Failure to report are called out in Appendix A.

Under the Texas Education Code, Section 51.253(c), the Chief Executive Officer of the institution shall submit an annual report of the data gathered via the Title IX Coordinator’s quarterly report to the institution’s governing body and post on the institution’s website. For the purposes of complying with the reporting requirements under Section 51.253(c), the attached written report (Appendix A, Table 1) includes all of the required reporting information for Angelo State University for the 2020 year which includes statistics from **October 1, 2021, to October 1, 2022.**

An attached summary data report (Appendix B) with the aggregate data, based on the written report (Appendix A), has also been included. The summary data in Appendix B is categorized based on the reporting requirements under TEC, Section 51.253(c). The reports received may be applicable in multiple reporting categories, and therefore, the summary data in the categories may not add up to the totals of other categories.

¹ Texas Education Code, Section 51.252
² Texas Education Code, Section 51.251.
³ Texas Education Code, Section 51.253(a)

Note: Any additional reports received by the Title IX Coordinator that do not meet the required reporting criteria in the Texas Education Code have been omitted for the compliance purposes of this specific report.⁴

Terminology:

Alleged Conduct:

Dating Violence: Physical, sexual, or verbal abuse or violence, or threat of abuse or violence, committed by a person who is or has been in a social relationship of a romantic or intimate nature with the Complaining Party. The existence of such a relationship will be determined based on the type and length of the relationship and the frequency of interaction between the persons involved in the relationship. A casual acquaintanceship or ordinary socializing between two individuals does not constitute a romantic or intimate relationship. This definition does not include acts covered under Domestic or Family Violence.

Sexual Assault: Sexual contact or intercourse with a person without the person’s consent, including sexual contact or intercourse against the person’s will or in a circumstance in which the person is incapable of consenting to the contact or intercourse. Sexual assault includes:

- (1) *Non-Consensual Sexual Contact* – Intentional sexual touching, however slight, with any object or part of one’s body of another’s private areas without consent.
- (2) *Non-Consensual Sexual Intercourse* – Sexual penetration or intercourse, however slight, with a penis, tongue, finger, or any object, and without consent. Penetration can be oral, anal, or vaginal.

Sexual Harassment: Unwelcome sex-based verbal or physical conduct that:

- (1) in the employment context, unreasonably interferes with a person’s work performance or creates an intimidating, hostile, or offensive work environment that is severe, persistent, or pervasive; or
- (2) in the education context, is sufficiently severe, persistent, or pervasive that the conduct interferes with a student’s ability to participate in or benefit from educational programs or activities.

Stalking: A course of conduct directed at a specific person that would cause a reasonable person to fear for the person’s own safety or the safety of others or would cause that person to suffer substantial emotional distress. A “course of conduct” means two or more acts in which a person directly, indirectly or through third parties, by any action, method, device or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person or interferes with a person’s property. “Reasonable person” means a reasonable person under similar circumstances and similarly situated to the Complaining Party. “Substantial emotional distress” means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

Investigation Status:

Insufficient Information to Investigate: The report lacks information to investigate formally.

No Indication of Policy Violation: The report does not rise to the level of a policy violation.

⁴ For example, reports made by students and all other non-employees (including incidents under TEC, Section 51.252(d)) are excluded from Appendices A and B. Additionally, if the Title IX Coordinator determines that the type of incident described in a report, as alleged, does not constitute “sexual harassment,” “sexual assault,” “dating violence,” or “stalking” as defined in the TEC, Section 51.251, the report is excluded from Appendices A and B. It is the responsibility of the Title IX Coordinator to assess each report received and determine whether it is properly included in this report, and if so, to correctly identify the type of incident.

Victim Requested Not to Investigate: The Complainant requested that the institution not investigate the report. Upon initial inquiry, the institution determined that there was not a risk to the University Community.

Formal Investigation Ongoing: Formal Investigation is taking place.

Formal Investigation Completed: Formal Investigation is complete and the resolution process (i.e. pre-hearing, hearing or informal resolution is occurring).

Informal Resolution Pending: The report is being resolved utilizing the informal resolution process.

Outcome:

Informal Resolution: The report is being or has been resolved informally.

Responsible: The student has been found responsible for violating Angelo State's Title IX and Sexual Misconduct policy.

Not Responsible: The student has been found not responsible for violating Angelo State's Sexual Harassment, Sexual Assault, Sexual Misconduct and Title IX Policy.

Policy Violation: The employee has violated Angelo State's Sexual Harassment, Sexual Assault, Sexual Misconduct and Title IX Policy.

No Policy Violation: The employee did not violate Angelo State's policy.

No 16.03 Violation: The employee did not violate Angelo State's Sexual Harassment, Sexual Assault, Sexual Misconduct and Title IX Policy.

Other Policy Violation: The employee did not violate Angelo State's Sexual Harassment, Sexual Assault, Sexual Misconduct and Title IX Policy but did violate another Angelo State policy.
