Core 090 Course ³		3	GOVT 2306 (Core 070N)		3
	TOTAL	17		TOTAL	14
			TOTAL CREDIT HOURS		60⁴

Indicates course taken at ASU through co-enrollment.

¹MATH 1314 and MATH 1316 are not required for the degree; however, the courses are prerequisites to enroll in MATH 2413. Student may be eligible to enroll directly in MATH 2413 if the student meets other qualifications set by WTC.

²WTC offers equivalent Biology courses to meet this requirement at ASU. Students will need to choose from the following Biology courses offered at WTC: BIOL 1306/1106 OR BIOL 1406; BIOL 1307/1107 OR BIOL 1407; BIOL 1408; OR BIOL 1409.

³WTC's catalog lists that students can take either MATH 1350, EDUC 1300, PSYC 1300, PHED 1301, PHED 1338, or SOCI 2340 to satisfy the 3 remaining hours for the Core 090 requirement. Either of these courses are approved to substitute ASU's GS 1181 (Freshman Seminar) requirement for the purpose of this agreement with the David L. Hirschfeld Department of Engineering.

⁴Total degree hours for WTC does not include the co-enrolled Engineering course. However, this course is included in the overall hours for ASU.

2+2 Transfer Guide

Civil Engineering Fundamentals

- I. Overall GPA of at least 2.50.
- II. Completion of the sequence below with a GPA of at least 2.50:
 - Engineering 1201 – Introduction to Engineering
 - Engineering 1304 – Engineering Graphics
 - Engineering 1307 – Plane Surveying or Engineering 1308 - Introduction to Geomatics
 - Engineering 2301* - Engineering Mechanics – Statics
 - Engineering 2302* - Engineering Mechanics – Dynamics
 - Mathematics 2413* - Calculus I
 - Mathematics 2414* - Calculus II
 - Physics 2325/2125* - Fundamentals of Physics I
 - Physics 2326/2126* - Fundamentals of Physics II
- III. Successful completion of the advancement exam.

*A grade of “C” or better is required for these courses.

Additional Notes

Please Note: This guide is for students to utilize as a reference of what courses they can take at each institution. It's possible for students to take these courses in a different sequence if they are coming in with prior credit or if there are changes to course offerings and degree plans. Therefore, it is encouraged for students to reach out to their academic advisor at each institution to discuss current course options and sequences.

Most co-enrolled courses through ASU are currently offered in-person at the ASU campus. Select ASU co-enrolled courses are offered online. It is encouraged for students to reach out to their academic advisor at each institution to discuss course options and sequences.
